</body>
</html>

```

The screenshot shows a web browser window with the address bar displaying 'C:/Users/Kishore/Desktop/wp%20lab/a.html'. The page title is 'Student Evaluation Form Example'. The form is divided into sections for 'Evaluator', 'Student', and 'Comments'. The 'Evaluator' section includes fields for 'Evaluator name*', 'Evaluator phone number:', and 'Evaluator email address:'. The 'Student' section includes fields for 'Student name*', 'Years in school:' (with dropdowns for Rank, Grade, and Years), and 'Student's performance' (with multiple dropdowns for Academic progress, Class participation, Creativity, Dependability, Initiative, Teamwork, Organizational skills, and Problem solving). Below these are three text areas for 'What distinguishes this student from others?', 'How would you describe this student to others?', and 'Other relevant comments:'. At the bottom, there is a 'Submit' button and a note '* - required fields'.
